

PSU Broadway Student Housing

Portland, OR

The Broadway Housing project was a 10-story structure for Portland State University. Level 1 consists of retail spaces; Level 2 has classrooms and administrative offices; and Levels 3-10 have 384 student dorm rooms, each with its own bathroom with shower and kitchen.

JH Kelly provided the plumbing, HVAC (wet and dry), appliance installation, and equipment supply and setting.

This project received a Leadership in Energy & Environmental Design (LEED) Silver certification.

Customer: Hoffman Construction Company

Special points of interest:

- 10 stories, 384 student dorm rooms
